- **TaD - Airshow Special**

It's the day of the Dalwish Airshow and extra trains are running for the event. Drive Train 2F43 from Paignton to Exeter following Train 2F41 along the coast to pick up the remaining passengers from the Airshow.

- **TaD - Last train down the coast**

Drive Train 2T20, the last train to Paignton, and the return back to Exeter St. Davids, Train 2E67. This is a nice quiet run, but watch the line near Dawlish as a possession is planned for the night.

- **TaD - Rush Hour Coast Run**

Drive Train 2E40 from Paignton to Exeter, but keep a close eye on the line as you follow the late running Train 2F17.

- **TaD - Deltic down the sea**

Drive Train 1Z55 from Exeter to Paignton fitting in around the morning trains. Then you shall be returning to Exeter light engine as 5Z55.

- **TaD - CrossCountry along the Coast**

Starting 30 minutes late, drive Train 5M29 from Netwton Abbot to Paignton in time to form Train 1M29 to Manchester Piccadilly, which you shall take as far as Exeter. It's ice Cold so be careful when speeding up and slowing down.

- **TaD - Race up the Coast**

Drive Train 2F45 from Paignton to Exeter on a clear summer afternoon, but will everything go according to plan?

- **TaD - Doubled Up**

Shunt together two Class 150 DMU Units to form Train 2T08 to Paignton. Can you prepare the train in time for your scheduled departure off Exeter?

- **TaD – Steam up the Sea**

Drive Train 5Z45 from Newton Abbot to Paignton where you pick up the Railtour to London Paddington, which you shall take as far as Exeter.

- **TaD - Coast to Capital**

Drive Train 1A87 from Paignton to Exeter on a foggy afternoon.

- **TaD - Summer Heat**

It's a schorching how summer's day on the Riviera Line and you're taking Train 1V47 from Exeter to Paignton. There have been a few reports of train failures due to overheating components this week due to the weather, so watch out when using the brakes.

4. Support

In the unlikely case that you have any problems with the installation or playing the scenario, please refer to the manual of the Versystem-Soundboard and Train Simulator´s manual first. If the problem still exists, please contact our support team and give as many information about your problem. Please tell us WHAT you did, WHICH error occurred and WHAT you did to solve the error. If there are any pop-up messages, please let us know, too. If possible, send us a screenshot. This will help us to give you fast and easy support. Thank You!
